reading & listening comprehension

PROJECTS

Lost in Toyland

[itch.io](#) ↗

Third-person shooter developed entirely by me (university project).

Big Teeth, Small Tail

[itch.io](#) ↗

2.5D action-adventure, team of 3. My role: all programming, much of the game design, environment modeling, and 2D character design & animation.

My Multiplayer Game

Coming soon

5v5 multiplayer prototype with 3 levels. Solo university project (developed entirely by me).
